Developing Africa's businesses via face-to-face events

Convening **leading industry stakeholders and decision makers.**

We work very hard to bring stakeholders together, creating opportunities for them to network, learn and do business. We operate in the heart of knowledge and information economy within major sectors in Africa. We enable businesses to grow through connecting them with knowledge, ideas and opportunities.

We use our conferences and exhibitions in helping businesses across Africa to target new business, showcase their products, build deeper relationships with their clients and identify new opportunities for performance and improvement.

Please note that the event dates are subjected to change.
