Does your work resonate with Nigeria's tech ecosystem? **This is where you should be.**

Now in its 4th year, Lagos Tech Fest annually gathers to shape the future of Nigeria's tech ecosystem.

Convening emerging startups, innovators, investors, tech enthusiasts, global tech giants, new entrants and government representatives, this is where we define our tech ecosystem, address key developments and uncover countless opportunities within the Nigerian and African tech market.

Combining conferences, exhibitions and networking, the event annually creates a veritable platform that seeks to drive investments into the ecosystem.

Towards shaping the future of Nigeria's tech ecosystem

WHAT'S NEW IN 2024?

NEW STAGES AND CONTENT

To explore multiple contents, we are introducing new categories of conversations at this year's edition of the event

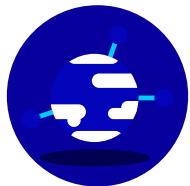

CEO FORUM

With key interest in C-level leaders, this year's edition of the event will play host to CEO's across various verticals of Nigeria's tech ecosystem.

SPEED NETWORKING

We are developing quick 1-2-1 meeting arena at the event, this is targeted at increasing the value of networking that attendees can explore at the event.

BRINGING TOGETHER THE ENTIRE ECOSYSTEM

Beyond the conversations, exhibitions and networking, we are curating an after party at this year's edition of the event.

AFTER PARTY

We want to ensure the event keenly depicts our ecosystem at large, so you can be sure to explore multiple verticals of Nigeria's tech ecosystem.
