SPONSORS

# Thank you for Attending

The idea behind **Lagos Tech Fest** is to add clarity to shared challenges facing operators within Nigeria's tech ecosystem, recommend practical solutions and provide a road map towards building the tech ecosystem via far-reaching strategic partnerships between public and private sectors.

**Lagos Tech Fest** equally provide tech companies with opportunities to showcase their solutions to their target users and stakeholders. **We are pleased to have had you join us as an attendee, sponsor, speaker or partner.**

Till we converge again, next year, please accept the assurances of my best regards.

It was impossible to escape FTX's presence at **Lagos Tech Fest** today. From our booth, to the panel sessions, to the constant reference by the host and to the backdrop banners on stage and on the red carpet.

That's how to properly brand and treat sponsors of your event.
