Get paid now

Download the Contactless app to accept
payments from anywhere. The safe and
affordable way to receive payments.

octa

Take a step towards your goal—with Octa

Octa is an international broker that has been providing online trading services worldwide since 2011. It offers commission-free access to financial markets and various services already utilized by clients from 180 countries with more than 42 million trading accounts. Free educational webinars, articles, and analytical tools they provide help clients reach their investment goals.

The company is involved in a comprehensive network of charitable and humanitarian initiatives, including the improvement of educational infrastructure and short-notice relief projects supporting local communities.

Octa has also won more than 60 awards since its foundation, including the 'Best Online Broker Global 2022' award from World Business Outlook, the 'Best Forex Broker Nigeria 2022' award from Global Banking & Finance Review and The Best Customer Support Nigeria 2023' award from Global Brands Magazine Brand Awards .
